

**Episcopal Community Services (ECS) and
The Episcopal Foundation of Northern California
Anita Weaver 2019 Grant**

This grant is for \$15,000 for one year helping persons (ages 50 and older) to move from homelessness to supportive housing with a plan that leads to long term solutions

The Anita Weaver Fund is held in trust by the Episcopal Foundation of Northern California. ECS will administer the grant award and provide quarterly reports to the Foundation along with reports from the selected grant recipient.

The intent of this grant is to help persons, 50 years or older, to move from homelessness to supportive housing, and with a plan that leads to long term solutions.

The award for the Anita Weaver Fund 2019 will be a grant, for one year only, February 15, 2019 through February 14, 2020, of \$15,000. If the selected grantee meets all the requirements of the grant including stated goals and objectives, ECS and the Foundation may award a second year grant of \$7500. The grantee must be able to raise an additional \$7500 in year two to insure the sustainability of the grant after the initial funding, and the award of \$7500 in year two.

All Episcopal churches/missions or other entities approved by the Diocese of Northern California are eligible to apply. Two parishes in geographic proximity to one another (within 25 miles) are encouraged to apply in partnership. If two parishes work together to develop a grant, one of the parishes must be designated the lead agency. The identified lead church will be responsible for the administrative, fiscal, legal, supervision of all contracts, and oversight of duties and responsibilities.

Collaboration with outside governmental and private agencies is not only encouraged, but bonus points will be given to those grants where letters of support and/or collaboration are included. As we reach out and seek to serve the least, the lost, and lonely, we should not hide the light of Christ under a basket.

Requirements of the Proposal You Submit

1. A one-page statement of the church(es)/ missions or other entities approved by the Diocese of Northern California about their involvement in feeding, housing, or other services provided to this population, including those in conjunction with an outside agency, if applicable.
